DEPARTMENT OF HIGHWAYS**NOTICE TO CONTRACTORS****Nanaimo Electoral District**

Bridge Project No. 602—Trans-Canada Highway, George S. Pearson Bridge, Widening and Approach Roads, General Contract (Mile 69.36).

SEALED TENDERS, marked "Tender for Bridge Project No. 602—George S. Pearson Bridge, Widening and Approach Roads," will be received by the Minister of Highways in his office at the Parliament Buildings, Victoria, British Columbia, up to 2 p.m. (Pacific Daylight Saving time) on Thursday, the 24th day of October, 1968, and opened in public at that time and date. Contractors are eligible if, at the time when the contract is entered into, the contractor was a resident of Canada or, if the contractor is a corporation, it was, for a period of at least one year immediately prior to that time, incorporated and carrying on business in Canada or the owners of a majority of the shares of such corporation were resident, for a period of at least one year immediately prior to incorporation, in Canada.

The contract consists of widening and paving of a 248-foot reinforced-concrete bridge; reconstructing, widening, and paving of approximately 0.4 mile of urban approach roads; and installing a street-lighting and traffic-control system.

Plans, specifications, and conditions of tender may be obtained from the Provincial Government Plan Viewing Room, 1414, 207 West Hastings Street, Vancouver 3, British Columbia, (telephone 684-8918), or from the undersigned, for the sum of ten dollars (\$10), which is not refundable.

Each tender must be accompanied by a bid bond in an amount equal to five per cent (5%) of the tender price. This bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. A performance bond and a labour and material payment bond, each in the amount of fifty per cent (50%) of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder prior to the award of the contract.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

The contractor and all his sub-contractors shall employ only residents of Canada and shall refrain from discriminating against any person by reason of his race, religion, or political affiliations.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.

Deputy Minister.
